

Study Finnish with Finn Talk!

Finn Talk language course is made for beginners, near beginners or learners wishing to brush up their skills at the intermediate level.

Even more, you learn both the **standard** and the **colloquial language** while all instructions are given in English.

Both authors of Finn Talk are experienced teachers. Terttu Leney has taught British diplomats while Liisa Needham was a teacher at the St. Albans Suomi School.

Finn Talk Part I consists of a book (221 A4 size pages incl. grammar and exercises with answers) and two cassettes or CDs (one for the standard language the other one for the colloquial language).

Finn Talk Part II consists of a book (203 A4 size pages incl. grammar and exercises with answers) and two cassettes or CDs (one for the standard language the other one for the colloquial language).
